As a condition of employment with our school, for all personnel, we require a criminal history records check from any law enforcement agency or judicial record agency that we consider appropriate. Please note that the law enforcement agency or judicial record agency will require your written permission and release before providing the background information requested.

The School's offer of employment will be automatically withdrawn and/or you will be terminated should the following be true:

1. Information discovered in the course of such a check conflicts with statements you made on your employment application.
2. This check reveals you have been convicted of any offense involving the sexual molestation, physical or sexual abuse or rape of a child or any other felony that, in the School's opinion, is related to the position for which you are applying.
3. Conviction of a drug offense or any offense involving violence may result in withdrawal of any offer.

Employees and volunteers who will be working with children are required by Pella Christian Grade School to give written permission for a Child Abuse Registry Check (Department of Human Services Form No. SS-1606). This check must also be satisfactory in order for you to be employed by or retain your employment or volunteer status with the School.

I have read and fully understand the above information and give my permission to Pella Christian Grade School to perform the background verification described herein as part of its employment process.
