

Creation Station News

3-1-10

We so appreciate meeting with all of you at Parent-Teacher Conferences (75 conferences). It was wonderful to share with you about your precious little ones. Our prayers are with you as you make the decision about what is the best educational plan for your child this fall. Reminder: Forms for *One to Grow On* registration are due by April 5. They will be available from Miss Teresa.

Upcoming Events :

PIZZA RANCH field trip will take place on M & T, March 22 & 23. Morning classes will go from Monday: 9:20-10:10 a.m., Tuesday: 9:05-9:50 a.m. and afternoon classes will go from Monday: 1:20-1:50 p.m., Tuesday: 1:05-1:50 p.m. We will have pizza and drink at Pizza Ranch. If it's your child's snack day he/she may bring a snack to go with the pizza or a take-home treat to pass out at the end of the class time. I would like to have 3-4 Room Moms/Dads from each class go with us. Please let me know if you could go ASAP. **PLEASE HAVE YOUR CHILD WEAR HIS/HER CREATION STATION SHIRT.** THANKS!!

We would especially appreciate your prayers during the next 2 months as we prepare for the Spring Program on April 22, and Registration Night on April 6. The task looms very large at this point and we know that we must rely on God's strength to see it to completion. Thanks so much - each family is such a blessing to us!

Our spring program theme will be "*Fun on the Farm*". We are asking that the children wear casual clothes or "farm" clothes-no hats, please. The spring program is presented by the preschoolers and One to Grow On classes at the Pella Christian High School. Mark your calendar for **April 22.** More details will be coming soon. If you would be willing to help with stage decorations please let Miss Teresa know ASAP.

****VERY IMPORTANT-** If you have a child that will be attending the public school pre-k or kindergarten round-up, please schedule that time so that it is **not** during his/her time at Creation Station. It is very disruptive to have students gone when we are preparing for our spring program. Thanks for your cooperation in this matter.
