

Intention Form

Creation Station Christian Preschool has served more than 1,000 children in the Pella area during the past 13 years. **Creation Station's Preschool and One to Grow On programs have both been rated highly by the Quality Rating System.** Children who attend Preschool or One to Grow On* classes are well-equipped academically in a Christian setting that partners with the home and church to provide them with the confidence and readiness needed to attend kindergarten. Children must be 4 years old by September 15, 2010, to attend any of Creation Station's programs. This intention form will reserve a place for your child in fall classes, however, you must attend the **Registration Night on Tuesday, April 6, 2010**, or you will forfeit your place. **Intention forms are due March 12, 2010.**

*One to Grow On is a pre-K class. The class offers an enriched curriculum that emphasizes beginning reading and writing skills and math readiness.
