New Incentive to Christian Education (NICE) Plan (1st Year)

It is with great joy that we are able to offer the NICE Plan! Families of students in grades 6-8 who are new to Christian education will be offered up to a 50% reduction in their 6-8th grade student's tuition for their first year of enrolling their entire family and up to a 25% reduction in their 6-8th grade student's tuition for their second year of enrollment (in the case of an 8th grader this program does carryover to Pella Christian High School for the 2nd year). ***The NICE Plan gives us the opportunity to introduce the concept of Christian education to families who might not otherwise consider it because of the cost of tuition. Does this apply to your family? If you have not paid tuition for your children's K-12 education in the past, this does apply to you!*** This plan allows families who have not experienced tuition costs as part of their budget to transition into the experience.

Are you eligible?

- 1) We require all school-aged children in grades K-8 from your family be enrolled at Pella Christian Grade School.
- 2) You must meet the criteria in the opening paragraph.
- 3) Your child's previous school(s) must be a non-CSI or non-ACSI school.
- 4) You **must** have applied for a grant from the Student Tuition Organization (STO). If a family qualifies for a grant from STO, the New Introduction to Christian Education Incentive Plan (NICE) grant will be reduced by the amount of the STO awarded for that student.

We realize that some families will benefit greatly from the entirety of this gift while others may not financially need the full assistance offered. For this reason, we want to provide you with options that will determine how we process your gift. Please select from the following options and return this sheet to PCGS prior to registration.

"We have always wanted Christian education for our family, yet we were always worried about tuition. When we learned about the NICE Plan, we decided to take a leap of faith and enroll all four of our children! What a blessing to work our way into paying tuition. After we see how our children have benefited from Christian education, we could not be happier with our decision to send our children to PCGS!"
