

PCGS Labels for Education

Current Collection Programs

Listed below you will find a summary of the information regarding the Labels for Education collection programs that Pella Christian Grade School is currently enrolled in. Please bring all collected items to PCGS.

If you want more detailed information about any of these programs, please check out each program's website as listed below or you may contact Junann Holmes at junannholmes40@gmail.com (for questions about the GM Box Tops program) or Mary Van Zee at FairmountVZs@gmail.com (for questions about the Tyson A+ program).

On behalf of PCGS, thank you for your help!

General Mills Box Tops for Education

www.boxtops4education.com/earn/participating-products

We earn 10 cents per logo through the GM Box Tops program. These logos come in a variety of sizes and are printed on both food and non-food products owned by General Mills. Money earned is turned over to P.I.E. to help PCGS in multiple ways. Since 1996 PCGS has earned tens of thousands of dollars from this program!

Although it is not required, before bringing your Box Tops to school the logos may be pasted onto collection sheets which can be downloaded and printed at: www.boxtops4education.com/about/collection-sheets.

Tyson Project A+

projectaplus.tyson.com

PCGS earns 24 cents per complete Tyson A+ proof of purchase panel. These tear strip panels may be of different colors but will all say: "Tyson 1,2,3 Support Your School!" An alternative proof of purchase is a small black or white Tyson A+ rectangle which includes a UPC & can be found on bags or boxes of Tyson owned products. Money from this program is turned over to P.I.E. to help PCGS in different ways.
