

# PCGS FALL 2011 COLLECTION PROGRAMS UPDATE

Listed below you will find a summary of the current information regarding the three "old" Labels for Education programs that Pella Christian Grade School is currently enrolled in as well as two "new" programs. Four of the programs are "cash programs" with the money earned going to P.I.E. to be used in a variety of ways which benefit PCGS and its students. The Campbell's program, which is not a cash program, allows us to "bank" points which are spent by school staff on useful items for the various classrooms, departments, office, etc.

If you want more detailed information about any of these programs, please check out each program's website as listed below. For other questions, please contact Mary Van Zee, LFE Chairman, by calling 641-259-2844 or sending an e-mail to FairmountVZs@iowatelecom.net.

On behalf of PCGS, thank you for your help!
