

Athletics Transportation Agreement

I agree to pick up my son or daughter (or make necessary arrangements for their transportation):

*Within 15 minutes of the stated end of practice

*Within 15 minutes of the stated end of a sports event OR the arrival of the bus at PCGS after an away sports event.

*Parents are usually called while en route on the bus to PCGS after an away sports event.

I understand that after the above stated times, coaches are released from supervisory responsibilities and my son/daughter will be unsupervised while awaiting my arrival. They will be in the entry way with access to a phone.

This signed release form must be handed in before the first game. Playing time will be affected if it is not turned in on time.
